The rates quoted shall include provision for payments of sales-tax, royalty or any tax due to Government. They should also include lead, lift, scaffolding rehandling, centering and uncentering, watering and curing and tidying up. The Department will arrange for supply of water nearabout the work spot at Government cost.

2. For lumpsum provisions or for non-tendered items the rates will be as per current minimum schedule of rates of the Bangalore Buildings Division, in the case of the scheduled items. For other items rates based on the data approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3. No conditional clause will be accepted.

4. No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5. Tenders should be accompanied by Treasury chellan for having credited the earnest money of Rs. 5,000 under "Revenue Deposits" chellan has to be got countersigned by the undersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderer, the chellan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the Treasury where the amount was first deposited.

6. Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7. Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other printed forms not issued by this office under authority will be rejected.

8. The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreement within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9. The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10. The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rate, whichever is higher with usual centage.

11. Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12. Tendered contractors will have to pay compensation as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13. The work should not be sublet to others.

14. Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alteration.

15. Tenders submitted on percentage basis will be rejected.

16. All stones required for the above work should be obtained from either Mallasandra quarry or Hessarghatta Quarry.

17. For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18. The contractor should bind himself for the good behaviour of his Agents.
